

**PAPERJET®**

**PAPERJET®**  
THE SPEEDIEST PAPER  
CUSHIONING SYSTEM

# STABILITY AND THE RIGHT PAPER CUSHIONING AT ALL TIMES

## PaperJet® – individual programming and variable integration

Innovative patented cutting technology make the PaperJet® the speediest paper cushioning system on the market and, consequently, particularly suitable for professional consignors dealing with regular shipping volumes involving major quantities.

PaperJet® can be easily integrated, thanks to its compact design. It saves storage space and packaging costs and is easy to operate. Supplied with multiple integration options, including height adjustment, under-table and delivery transfer possibilities, adapting perfectly to your on-site conditions. Loading intervals for the eco-friendly paper are reduced to a minimum and particularly easy, as the PaperJet® can be equipped with an endless pallet of ComPackt® fanfold paper.

### Your one-stop provider – Made in Germany

Production of the machine and paper conserves resources, conforms to the latest technical standards and is realised in Germany with the assurance of ISO 50001 certification.

#### 100 % recycled paper

PaperJet® paper is a Blue Angel award winner. It consists of 100 % recycled paper with no added virgin fibres, optical brighteners or refining agents which are harmful to health.

#### Technical data

##### System

Length: approx. 1,110 mm  
Width: approx. 755 mm  
Height: approx. 280 mm  
Weight: approx. 55 kg  
Feed: 1.2 m/s, up to  
200 cushioning layers/min.

Discharge height: Variably  
adjustable

Noise level: < 70 dB (A)

Frame variants: ComPackt®- and  
EUPAL frame

Accessories: ComPackt® Lifter  
ComPackt® Carrier  
Stabilizer  
Wheel

##### PaperJet® paper

Grammage: 70, 90 or 120 g/m<sup>2</sup>  
Qualities: single or double layers  
Basis: 100 % recycled paper  
Delivery unit: ComPackt® paper  
in packages or as  
an endless pallet

Environmental certificate:  
Blue Angel

Country of manufacture

Paper/Machine: Germany

Integrated undertable variant

ComPackt® paper (endless)
